PIN THE PACIFIER

How to play

- 1 Hang the poster**
Tape it to a wall at about shoulder height.
- 2 Name your pacifier**
Each guest writes their name on a cut-out pacifier.
- 3 Blindfold and spin**
Cover their eyes, spin them gently three times, and point them at the poster.
- 4 Pin it!**
Closest pacifier to the baby's mouth wins.

Tip: a loop of tape or reusable putty on the back works best.
